Our Goals

Sonshine Express is a faith-based preschool. Our program is designed to help your child grow intellectually, physically, emotionally, socially, and creatively.

Our Goals Include:

- Providing a secure and loving environment for your child.
- Building up your child's self-image and encouraging cooperation and sensitivity to others.
- Strengthening your child's confidence in facing new situations and experiences.
- Developing in your child a sense of wonder and appreciation for the world around them.

Discovery-based, teacher directed learning to...

Children will see themselves as inventors, problem solvers, discoverers, and capable learners. We encourage them to observe, explore, build, take apart, draw and create. The more active children are in their work, the more they learn and remember.

WE DO THIS THROUGH:

- Listening activities
- Creative expression
- Early reading activities
- Early writing activities
- Math and number skills:
organizing, comparing, counting
- Motor Skills
- Art and Music
- Science
- Social Studies
- and much more!

...give your child the best start for school.
